## Chinese New Year Celebration 2025

We had a wonderful time celebrating Chinese New Year; the children sang traditional songs and learned about the legend of *Nian*. To bring the story to life, our teachers performed a dramatization with the children's participation. As part of the celebration, Pastor Rachel shared biblical teachings related to Chinese culture and traditions. John 3:16 reminded us of God's love for everyone and we reflected on the importance of kindness and sharing joy with others. The significance of Chinese New Year couplets was also linked to Psalm 119:105, "Your word is like a lamp for my feet and a light for my way." It was a memorable celebration for all.
