Classroom News

Dear parents and guardians,

The children have been learning all about our precious water. Over the past few weeks, they have explored where our clean water comes from, different sources of water, ways to save water and the unique properties of water. They have completed various projects and crafts related to these topics to enrich their understanding.

Upcoming Events

- 2 to 5 June 2025 – Field Trip
- 9 to 13 June 2025 – Parent-Teacher Meeting
- 20 June 2025 – Parents' Day Celebration

Further details will be shared shortly for all events

Reminders

- 12 May 2025 – Vesak Day
- 6 June 2025 – Teacher's professional development (School closure)
- 21 July 2025 – Racial Harmony Day

Easter Day Celebration

For our Easter Day celebration, the children explored the meaning of Easter through a creative lesson about watermelon. They learned that the dark seeds represent our sins, the red flesh symbolizes the blood of Jesus shed for us, the white rind stands for the forgiveness of sin, and the green outer layer reminds us to grow in faith through Bible reading and prayer. In addition to this meaningful activity, the children played various games, and they also participated in the Sunday Easter Day celebration by singing a special song for church members and parents. It was a joyful and memorable experience for everyone involved.
