

K2 - FD

Classroom News

The first few weeks of the new Term had been great! The children enjoyed the fun activities and had adjusted nicely to K2 level. They are also enthusiastic about the stories and hands on activities in the new Thalespin mathematics curriculum. We look forward to a close collaboration with you through the year. May it be a rewarding year for the children and may they embrace Primary School life with confidence.

Upcoming Events

- 23 Feb Jewel Fellowship (see brochure for more details)
- 28 Feb Graceful Bonds (see LittleLives for more details)

- 20 Apr Easter Sunday (programme details to be advised)

Reminders

- 21 March School closure (Teachers' Professional Development)
- 31 March Hari Raya Puasa Public Holiday

Chinese New Year Celebration

The children had a fun-filled day celebrating Lunar New Year on 27 January. They had a great time singing, dancing, playing games and watching a skit by the teachers. They also learned more about Chinese culture through the crafts such as writing Lunar New Year wishes using Chinese calligraphy. Most importantly, the children learned about how God has blessed us with family and friends (Psalm 23:1) and how he is the Light and Saviour of the world (John 8:12) through the use of Lunar New Year objects such as fire crackers and reunion dinner. With so much cheers and laughter, our children certainly had a joyous celebration!
