

# Pre-Nursery

## Classroom News

This term, we are exploring the exciting theme of “**Colorful Weather**”. The children explore different weather conditions and suitable clothing choices, day and night, and basic colours. Through songs, captivating stories and interactive hands-on activities. This engaging theme nurtures early language development, enhance cognitive skills, sparks creativity, and builds self-awareness as the children begin to connect what they see in the world around them with their daily routines.

### Upcoming Events

- 12 May 2025        Vesak Day Holiday
- 6 June 2025         Teachers’ Professional Development (School closure)
- 21 July 2025        Racial Harmony Day

## Celebration

Our Maundy Thursday celebration was themed “Watermelon Party.” The event began with joyful songs and a meaningful symbolic story featuring the watermelon: the seed represented sin, the red flesh symbolized the blood of Jesus, the white rind signified the cleansing of sin, and the green skin represented growth in the knowledge of God. All the activities were creatively centered around the watermelon theme, including “Stick a Watermelon,” “Melon Seed Target,” “Pick of the Day,” “I’m Saved!” and the “Crazy Watermelon Search.”
